"Growth isn't only about being bigger, it's really about being better."

That's why The Institute of Corporate Governance of Uganda and Grant Thornton are collaborating to present the first ever annual Corporate Governance Award. This prestigious award recognizes organizations' compliance with corporate governance principles in Uganda which not only contribute to their success but also lead by example and create positive, long-lasting impact by contributing to a strong and vigorous national economy.

Inspirational Stories are meant to be shared...Why not share yours...
